Operation Safe Child
was created in July of 2005 to
raise awareness about child safety.

When a child is reported missing,
time can be the biggest factor in
finding the child. Possessing up-
to-date photographs with detailed
information about the child can
greatly assist law enforcement when
responding to a disappearance.

Information gathered is digitally
recorded and stored in a database
at the Division of Criminal Justice
Services (DCJS) in Albany to be used
when issuing a NYS AMBER Alert.

Co-Sponsored by:

**Suffolk County Legislator
Anthony Piccirillo**

&

**Suffolk County
Sheriff's
Department**
